

TEN REASONS

WHY IMMUNOCAL IS DIFFERENT FROM OTHER SUPPLEMENTS

Dr. Jimmy Gutman, CSO

01

40+ YEARS OF RESEARCH & 60+ PUBLISHED PAPERS

Drs. Gustavo Bounous and Patricia Kongshavn initiated research at McGill over 40 years ago. Immunotec scientists have published extensively since then and continue to publish today, all in an effort to bring you the best of true science.

02

IMMUNOCAL IS PROVEN IN HUMAN STUDIES TO RAISE GLUTATHIONE.

Glutathione is your body's "Master Antioxidant". Over 150,000 published medical and scientific articles describe it. Glutathione is the antioxidant that all other antioxidants need so as to function properly. Taking Immunocal is clinically proven IN HUMAN BEINGS to raise glutathione.

03

IMMUNOCAL IS PATENTED AND GLOBALLY RECOGNIZED

In addition to official government issued patents in the USA and Canada, Immunocal has patents from at least 20 other countries. Many of these are "method of use" patents (what most pharmaceutical companies use).

04

IMMUNOCAL IS LISTED IN THE MOST TRUSTED AND UTILIZED MEDICAL PUBLICATIONS.

The Physicians' Desk Reference (PDR) in the USA, and The Compendium of Pharmaceutical Specialties (CPS) in Canada, are official reference books that is in arm's reach of virtually every doctor and pharmacist in North America, as it lists all the substances for doctors to prescribe.

05

IMMUNOCAL IS RECOGNIZED BY SOME OF THE WORLD'S MOST RESPECTED DOCTORS

A small sampling would include Dr. Luc Montagnier, winner of the 2008 Nobel Prize in Medicine included an entire chapter on Immunocal in one of his books. Dr. James F. Balch, author of the hugely popular "Prescription for Nutritional Healing" states that "It's my opinion that everyone should be taking Immunocal. Today, there's no better way to boost your immune system." Dr. Wulf Dröge, one of the world's leading expert on immunology and aging, stated "Many studies support the conclusion that Immunocal is effective in maintaining a strong immune system. People are well advised to consume Immunocal regularly."

06

IMMUNOCAL HAS VALID HUMAN CLINICAL RESEARCH: PROVEN, PEER REVIEWED AND PUBLISHED IN ACCREDITED MEDICAL JOURNALS

Immunocal has been subjected to INDEPENDENT verification and review by government agencies and medical professionals who are experts in their field.

07

IMMUNOCAL HAS BEEN RESEARCHED IN SOME OF THE TOP INSTITUTIONS IN THE WORLD.

McGill University, Dalhousie, University of Denver, Nova Southern University, the list goes on. Immunocal research efforts have received funds from major sources such as the NIH, NRC, CRC and others.

08

IMMUNOCAL HAS A TRACK RECORD OF SAFETY SINCE ITS MARKET INTRODUCTION IN 1997.

Hundreds of thousands of customers have safely taken and trusted Immunocal.

09

MANY TOP PROFESSIONAL AND AMATEUR ATHLETES IN THE WORLD COUNT ON IMMUNOCAL TO KEEP THEM AS HEALTHY AS POSSIBLE

These include Olympic athletes, professional athletes from the NFL®, NHL®, NBA®, world class skiers and mountain climbers and of course all levels of amateur athletes.

10

ASK ANY CLIENT

They will share their experience with you, and will tell you about the benefits of taking Immunocal.
